ACHIEVEMENTS

IEEE Conference research paper on
Cloud-Integrated Dynamic Freshener
for Indoor Air Quality
Management.(2025)

IEEE research paper on IoT-Enabled
Smart Room Freshener For Enhanced
Indoor Air Quality Management. (2024)

EXPERIENCE

TM DIGITAL TECH | WEB DEVELOPER INTERN

Aug 2025 – Oct 2025 | Madurai, TamilNadu

- Spearheaded the development of full-stack web solutions using PHP and MySQL, focusing on scalable backend architecture.
- Implemented complex features including secure role-based authentication, dynamic content management systems, and interactive Kanban boards.
- Designed and deployed database-driven booking systems with integrated payment calculation logic for client applications.

WEB DEVELOPMENT PROJECTS

FULL-STACK ADMIN DASHBOARD & CMS Sep 2025 – Oct 2025 | Personal Project

- Developed a comprehensive admin dashboard from scratch using PHP and MySQL.
- Implemented a secure, role-based authentication system to manage user permissions.
- Built full CRUD (Create, Read, Update, Delete) functionality for managing site content, such as posters and user profiles.
- Integrated a dynamic Kanban board feature for project management.

RESTAURANT WEBSITE & BOOKING SYSTEM Sep 2025 | Personal Project

- Designed and developed a dynamic website for Restaurant using PHP and MySQL.
- Built a system to fetch and display dynamic content (menus, ambience) from a database.
- Created a complex booking form for pre-ordering food and calculating advance payments.

IOT & HARDWARE PROJECTS

CLOUD-INTEGRATED DYNAMIC FRESHENER FOR INDOOR AIR QUALITY MANAGEMENT Jan 2025 – Apr 2025 | Madurai, TamilNadu

- Designed and implemented a cloud-connected solution combining hardware, software, and UI components to autonomously manage indoor air quality.
- Enhanced system efficiency with motion detection and usage tracking, ensuring minimal waste and timely replacement of freshener units.

POSITION OF RESPONSIBILITY

TEAM LEAD FOR A COLLEGE PROJECT: CLOUD-INTEGRATED DYNAMIC FRESHENER FOR INDOOR AIR QUALITY MANAGEMENT Jan 2025 – Apr 2025 | Madurai, TamilNadu

Team Leader
